

Redbox Education **Green Screen Studio Package**

Green screen technology really does bring the curriculum to life

The Panoramic Chromakey Green background is our widest (upto 4m), crease free textile surface, it features a collapsible three panel aluminium framework, creating a useful self-supporting wraparound structure.

The fabric cover clips to the framework and is also available in Black and White. The Panoramic background is ideal for shooting larger groups on location, perfect the classroom, school hall, studio and event photography.

Three LED studio lights will be included for lighting both the background and the talent. These are equivalent of 600w each but only use 36w each and can be run on batteries for ultimate portability.

They each come with a professional studio light stand that's both sturdy and adjustable for any given situation. The lights are dimmable and include barn door for focusing the light exactly where you want (and don't want) it.

The studio package also has a professional fluid head tripod and dolly with quick adapter plate for the video camera. These tripods have quick release legs, and multi-tilt and pan head for great results and comes with rugged a tripod bag.

The iPad teleprompters simple software and bluetooth remote allows users to produce professional results, special 60/40 Glass allows the presenter to read the script and the camera to see the subject, strong and rigid prompter rig fixes securely to any tripod.

The studio microphone kit includes the broadcast standard NTG2 shotgun mic, deadcat, pistol grip and professional boom pole for keeping the mic out of shot. A studio mic stand and both short and long XLR leads are also included for better audio recording.

The all-important clapper board and directors chair are bundled with the studio package and the entire studio packs down into a strong and secure road trunk for storage/transportation.
